End of An Era

The Club's Committee was recently advised by our Club Manager/Coach, Brad Millman, that for personal reasons he and his family will be moving to Dunsborough at the end of this year.

As a sign of appreciation for Brad's contribution to the success and growth of Floreat Park Tennis Club over the past 11 years, the Club is pleased to announce that a special afternoon tea will be held at Social Tennis this Saturday 22/12/2018.

The Club encourages all members to attend to give Brad a fitting farewell!
